When we were freshmen and sophomores, Saturday afternoons were always spent hanging out at the Mall, but we never spent any more than two dollars each week there. Now many of us spend our Saturdays working at the mall, *earning* money instead of *spending* it.

For four years we waited for a nightclub to call our own. In the past, two years, "under-twenty" clubs have been popping up everywhere. First, there was Dance Factory, then, the Metro opened its doors to teens on Tuesday nights, And the list grows longer: Rascals, Faces, and many more.

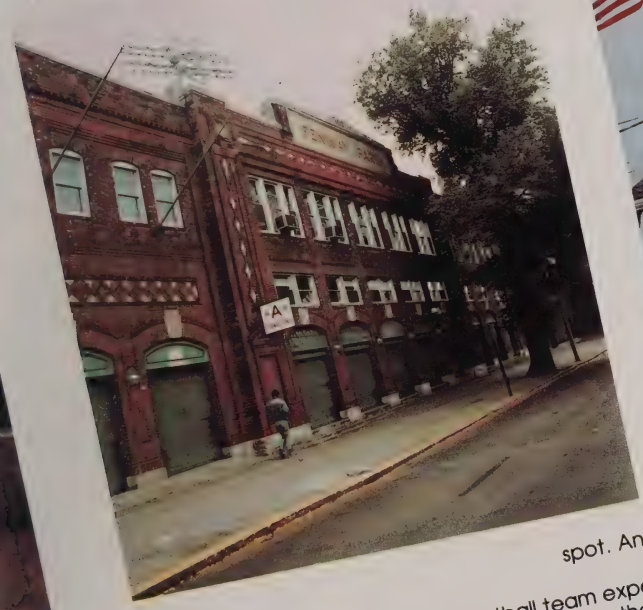

We woke up to Matty in the Morning and sent messages to our true loves through Sonny Joe White's Long Distance Dedication. Of course, every Saturday we had to be up by noon to hear Dale Dorman play "Wishing on a Star."

Whether we were lying on the sand under the hot sun or hanging out on the wall at night, clam plates, roast beef sandwiches, and onion rings from Kelly's always hit the spot. And, of course, the guys who worked there weren't bad either!

For four years we watched our football team experience the thrill of victory and the agony of defeat. Although some girls went to watch the game, most went to check out their favorite football player!

Dedication

Mr. Kenneth W. Cooper

"Mr. Cooper was a dedicated man. He dedicated himself to helping the kids of the city as a member of the Youth Council, the Community Schools Program, the Park Board, and the School Committee. I think he got a lot out of it. I think he was satisfied that he made a mark on the well-being of our city."

Mayor Paul J. Donato

"Ken Cooper and I served almost five years on the School Board. We ran in three political campaigns. We shared some frustrations regarding certain things in the school system which required much extra effort on our part. Times like that, Ken would say he should don his Sherlock Holmes hat and launch a private investigation, since it was clear that nothing short of being a detective could help uncover information which was not made available to us."

Mrs. Mary M. Aliberti

"I remember on one occasion, Kenny turning to me and saying, 'Fran, when I voted to close your kids' school, it was one of the hardest decisions of my life. I didn't sleep for three nights.' Kenny, I'm so glad that, at the time, I told you that I believed you."

Mr. Francis Giordano

"Kenny was a constant 'kidder'—of course, never intending any harm. Due to my being the youngest Board member, I fell victim to his jokes when he referred to me as 'the baby'! On one occasion, he went so far as to order me a glass of milk rather than coffee while attending a banquet! Before I could ever become mad, he would commend my efforts when referring to me as his prodigy . . . Kenny loved everyone, and that love was reciprocal."

Ms. Patricia Brady

"Some people come into our lives
and go quickly.
Some stay for a while
and leave footprints on our hearts,
And we are never, ever the Same."

FLAVIA

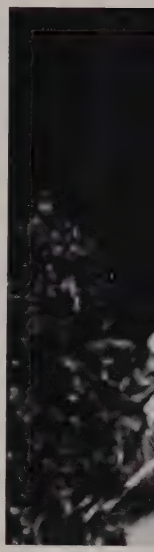

"We will never be the same because of knowing Ken Cooper as a man who was not afraid;

- to speak exactly what was on his mind;
- of showing his emotions (anger, frustrations, happiness, and relief);
- of using humor to defuse a tense discussion;
- of letting us know he cares about kids, his family, his friends, and LIFE.

We have footprints on our hearts made by a big, honest, fun-loving, fearless man, and we will never, ever be the same."

The Freshman class began their social events with a semi-formal held at the Irish American Club in Malden, late in May, 1982. This was the first time that the members of the Class of 1985 had a chance to "dress up". About a hundred people attended this dance, mostly in couples. Everyone was excited about this night; someone even arrived in limosines. The up-beat music was provided by Enio Cataldo. Everyone enjoyed the boneless breast of chicken served. Chaperones for this fun-filled evening were Miss Alpers, Ms. Gulino, Mr. Sammon, and Mrs. Morelli.

Sophomore Halloween Festivities Held In Cages.

The month of October brought the ghosts, witches, and goblins out of hiding at Medford High School. The Sophomore Halloween Party was held in the M.H.S. cages where all enjoyed a frightfully fun filled evening. Also attending the party were bunny rabbits, cowboys, punk rockers, green berets, Mickey Mouse, a Roman, a lifeguard, and a few doctors to attend to any cases of fright.

Barrels of popcorn and refreshments were served in the cages. All enjoyed an exciting evening of dancing with the ghoulish goblins and witches of Halloween.

Juniors Invade Montvale Plaza In Gowns And Tuxes.

Magic was in the air. The day that had been awaited for so long was finally there. On May 25, 1984 the Class of 1985 swarmed to the Montvale Plaza in rented cars, limousines, beautiful gowns, dashing tuxedoes, fragrant bouquets for a night of romance and magic.

After the formal pictures were taken the couples sat down to dinner. Following the dinner, the Class of 1985 took off their jackets and high heel shoes and danced the night away to the music of Mr. Ron Zampell.

During the middle of the festivities the Prom King and Queen were chosen. Freddy Pizzi and Laura Marquis reigned as the royal couple.

A poster fund-raising drive was held during the month of December to help establish a scholarship committee. The money collected from the drive was used towards scholarships for graduating seniors.

Members of the council learned about parliamentary procedure through films and handbooks and regular attendance at the School Committee meetings. At least one member of the Student Council was present at every regular meeting, to take notes and speak on any necessary matter.

One of the objectives for this year's council was to form better communication within the high school. This was carried out through suggestion boxes placed in all the guidance offices, in the library, and in the main office, and through a community bulletin board information center.

Members of Student Council strived to improve community participation this year. Through the efforts of Mrs. Blumsack and Ms. Deborah Manning, coordinator of the Youth Citizenship Project, formed a volunteer placement program for Medford High School students interested in community service. In conclusion, it was a productive year for Medford High's Student Council.

Students And Faculty Attend Cooper Gym Dedication.

M.H.S. finally got the opportunity to repay the hard work and dedication of the late Mr. Kenneth W. Cooper Jr on October 25, 1984

The dedication of the M.H.S. gymnasium, at an all school assembly, was the reward well deserved by the widely-loved Mr. Cooper.

One of Mr. Cooper's greatest feelings was for the youth of the city. This was demonstrated by his active involvement in so many of the organizations throughout the city. He was a founder of the Medford Community Education program and the Medford Girl's Softball League. He also showed his love for the kids of the city by being a member of the city's youth activities committee, the Medford Board of Park Commisioners, and serving on the Medford School Committee for nearly five years.

Mr. Cooper was also an avid follower of sports within the high school. You would find him at almost any sporting event cheering on those "Mighty Mustangs".

At the dedicating ceremony, many of his friends and family paid tribute to their highly respected friend and father.

Members of the senior class, Troy Walton and Wendy Puleo, unveiled the plaque dedicating the gymnasium to Mr. Cooper. Christine Smallcomb and Robert Maloney, President of the senior class, with some difficulty, unveiled a color portrait of Mr. Cooper.

M.H.S. ATHLETES JOIN TOGETHER IN THE M CLUB!

This year's membership of over 150 was the highest number of M Club members ever. Under the leadership of president Scot Somerville, vice-president Bob Maloney, secretary Maria Vasquez, treasurer Michelle Martorana and Mr. Morello, the Club was an active group that worked together efficiently on fundraisers. On the occasion of this, the 25th anniversary of the annual Richard J. Phelan and M Club Awards Banquet, an attempt was made to make this year's banquet most memorable.

A pre-Thanksgiving dance was held on November 16, 1984, and was well- attended. Medford's "Music Maker" provided the music in the Ken Cooper Gym.

The third annual "Meet the Bruins" night was held on January 11, 1985. An excellent turnout was treated to a hockey action film and the awarding of several hockey prizes donated by Tony and Steve Lucci of Medford Square Sporting Goods. Four members of the Boston Bruins-Captain Terry O'Reilly, Rick Middleton, Ray Bourque, and newcomer Charlie Simmer-were on hand to answer questions, sign autographs, and pose for pictures with their fans.

Among the fundraisers sponsored by the M Club were the sale of Christmas ornaments, football pins, and the first-ever Cookie Sale. Proceeds went to fund the Banquet, trophies for the "Unsung Hero" of each sport, and the awarding of the two Kenneth Cooper Memorial Scholarships given to one female and one male. This was the second year that these scholarships were awarded, but it is the first year that the M Club has chosen to honor the late School Committeeman by naming them after him.

Proceeds from the Cookie Sale were used to buy members a "commemorative" M Club sweater, issued for this year only. Sweaters were awarded to all members who participated in the required fundraisers.

THE *MUSTANG NEWS* HAS ANOTHER SUCCESSFUL YEAR!

Created in the 60's, the *Mustang News* has gone beyond and deep into the heart of journalism.

Being awarded every major award in the country, such as the All-New England Scholastic Award and the Columbia Scholastic Press Award, the *Mustang News* has achieved much more than an ordinary high school paper.

Through the years the Mustang News has been able to award financial aid to those who choose to continue in the field of journalsim. Scholarships are recognized under the names of, *The Carol Ann Baxter Award* and the paper's advisor's name, *Henry R. Selvitella.* To date, over $5000 has been granted, and over three dozen former are now actively working in the professional world of televison.

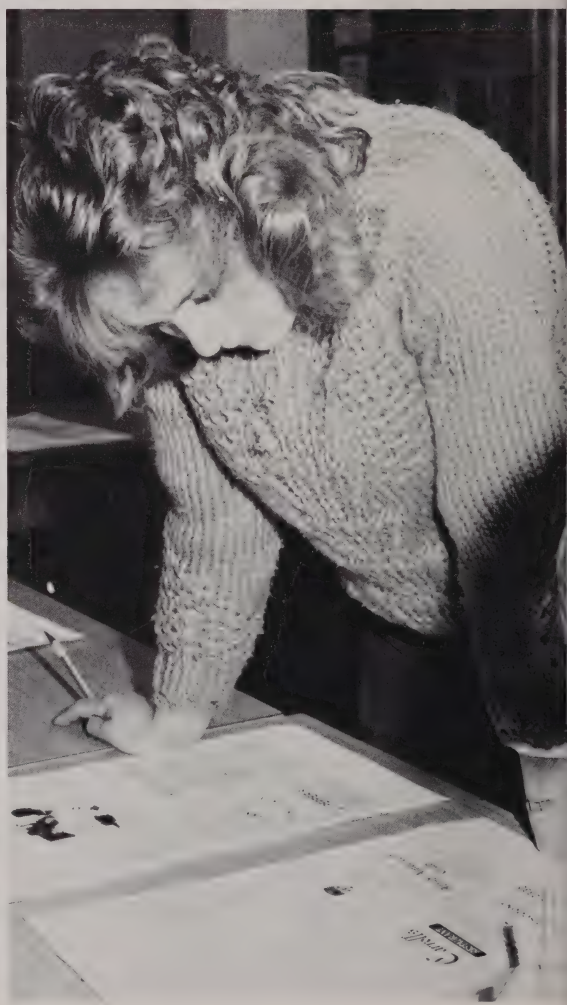

The *Mustang News* has been able to keep its spirit of journalism in print by the efforts of advertisements, donations, and fundraisers. Now in conjunction with the Voke, most of the major work of the paper is done on school premisses. The *News* is then printed by the *Medford Daily Mercury* and inserted as a supplement. An estimated 500 hours are spent on writing, editing, soliciting and designing ads, art work, preparing photos, and lay-out for each edition.

Positions on the paper are open during the course of the year, and the feeling of true journalism is experienced within the walls of our office.

The Audio-Visual Club services the faculty and staff of M.H.S. by providing equipment and materials for classroom use. It also videotapes major school productions and athletic events for cable cast on Warner Cable, Channel 13.

During the past five years the club has provided a valuable service to the faculty and has video taped events such as: "Hello Dolly" and "Sweet Charity" by the M.H.S. drama club. It also has done many other events for elementary and junior high schools, and other community groups.

This year, with the activation of the new television studio, the club will produce a series of programs concerning M.H.S. and the community. In the near future, the club will be able to cable cast programs to local homes and schools.

The Key Club of Medford High works under auspices of the Kiwanis Club of Medford. Primarily, it is a public service organization devoted to both school and community activities. The principal community activity is the "Saturday Morning Program" through which members spend three hours working with local retarded citizens. The objectives of this program are to provide enjoyment and to install confidence in these citizens.

Another annual project of the Key Club is participating in Jail Day, sponsored by the Kiwanis Club, to raise money for retarded citizens. This year, many members of the club stood in the streets of the city, asking passing motorists to make contributions.

Mr. Joseph LaPorta is the Advisor to the Key Club at Medford High School.

Fashions Rage From Classic Chic To New Wave Bizarre.

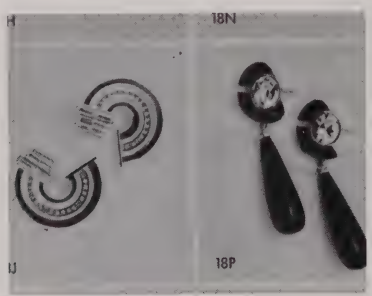

The summer of "84" had arrived and students were looking forward to going away, working and the lazy days spent at Revere Beach. Uptown, The Metro, and Dance Factory were the *in places* to dance. Usually a wild night out with the gang called for a bite to eat at Kelly's Roast Beef, and sitting on the beach wall, scooping (not ice cream).

Fashion was a very important part of our lives. Flourescent colored clothing and thick belts topped with beads and large earrings were the back-to-school fashion for the girls. Angora sweaters, flat shoes, wool skirts, and pants also survived another year. Many boys stayed from the standard sneakers and jeans, to the look of "84". Pleated pants, Guess jeans, thin ties and leather shoes were what was really in for the guys.

As for hair styles, anything went! This was the year for many shocking style changes; not only with hair, but with clothing.

One fun game released was Trivial Pursuit; people will be in hot pursuit of this game for many years to come!

Another eye catcher was hackey-sac. These games involve much skill and concentration and they are surely a challenge for our minds.

Wild and Crazy Earrings!

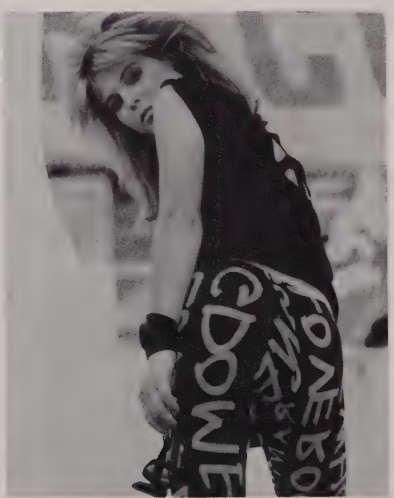

Black leather jackets and belts contributed to the scene of 1985 fashions.

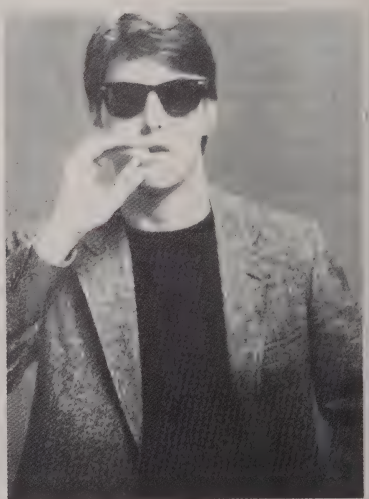

This style is simple and classy.

The fancy look is ***hot*** in 1985!

Every business is a little risky.

Fishnets- the "in" stockings in '85.

Beads added the right touch to any fashion.

Everyone needs to take a break.

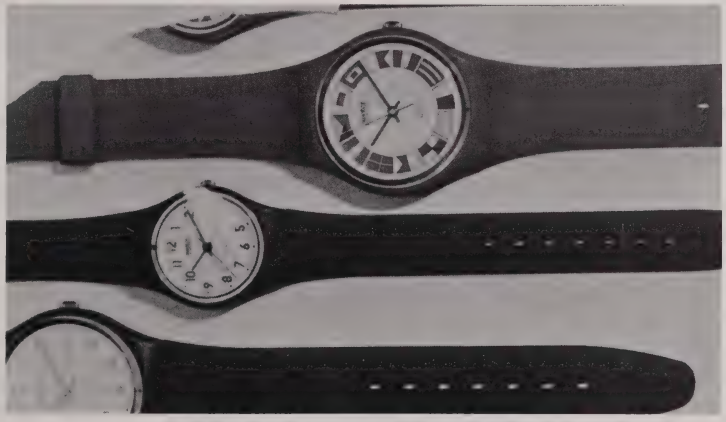

1885-1985: What a difference a century makes!

Gloves and hats completed many outfits

Swatches- the newest idea from Switzerland.

Fads, Fame, And Fashion Mark Entertainment, 1984-85.

The greatest entertainer during 1984 was Michael Jackson. He stole the hearts of many around the world. Although his "Victory" tour caused much controversy, he created music history, Another one of his great achievements was his "Thriller" video, voted the best of 1984.

Lionel Richie's style differed from Michael Jackson's dramatic flair. Richie's soft, romantic voice was featured on such standards as *Hello,* and *Stuck on You.*

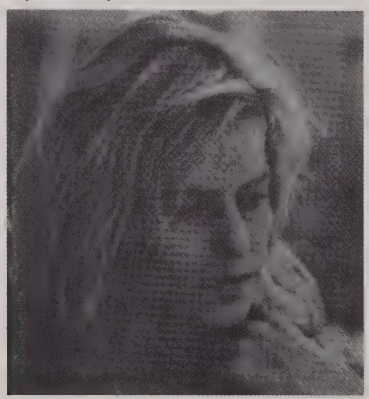

Three pop superstars- Madonna, Cyndi Lauper and Boy George- not only influenced the music charts, but also the fashion world with their unique styles of dress.

Prince's *Purple Rain,* drew swarms of people to theatres. This movie revealed Prince's personal life and his life on stage.

Terms of Endearment featured Debra Winger in a saga of a rocky mother-daughter relationship.

Cuddly Gizmo made his debut in *Gremlins,* another blockbuster movie from Steven Speilberg.

All in all, 1984-1985 was a year of change in fashion attitudes and musical tastes. Take a look at Cyndi Lauper!

The Burning Bed examines wife abuse.

"Where's the Beef?"-look out McDonald's- here comes Wendy's!

Terms of Endearment earns Oscars for Best Movie and Best Actress, Shirley MacLaine.

Wild Cyndi Lauper is *sooo* unusual!

Boy George draws new cult following!

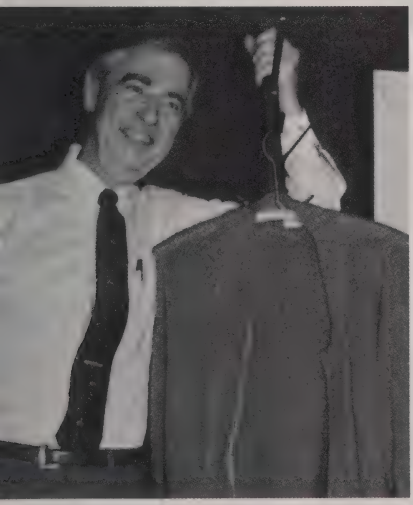

Michael Jackson-*Mania* sweeps the nation!

Amid controversy, Venessa Williams, steps down and crowns her successor.

Bustin' makes Dan Akroyd, Bill Murray, and Company feel *so* good.

Mister Rogers hangs up his red sweater and T.V.

A real Swedish beauty reigns supreme in the 1985 Miss Universe competition.

Milestones In Politics And Medicine Innaugurate 1985.

From 1984-1985, changes took place in all areas of life. The 1984 Presidential election will have a permanent effect on future politics. For the first time, a woman ran for Vice-President. Geraldine Ferraro will be remembered for taking that first step for women.

Despite all the milestones of 1984, there was also tragedy. California may have been viewed proudly during the Olympics, but not during the "McDonald Massacre." On July 18, 1984, James Huberty walked into McDonald's in San Ysidro, California and shot down 21 innocent people. The incident astounded Americans and has come to be remembered as the "McDonald Massacre." For the nation, 1984 will hold the memory of the worst one-man massacre in U.S. history.

Though 1984 brought many deaths, it also brought hope for a new life. Medical breakthroughs in heart transplants gave a few fortunate people more chances at survival. Baby Fae received a baboon's heart and lived for 20 days. William Schroeder, at 52, was the second artificial heart pioneer.

1984-1985 was a very eventful time. We even re-elected Ronald Reagan, setting two new records: the largest plurality ever received by a Presidential candidate, and the oldest man ever elected to hold that office. As the saying goes: "Only in America!"

Gerry's campaign begins a new era.

Baby Fae gives her life for science.

South Africa's Tutu receives Nobel Prize,

"Lady Liberty" celebrates her 100th birthday with a complete refurbishing.

U.S.A. docks and repairs in deep space.

Vietnam solemnly commemorated in D.C.

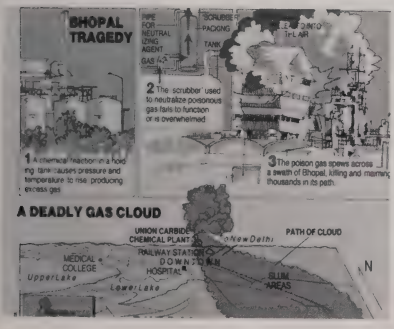

President Reagan and wife Nancy celebrate victory over Mondale in all states but Minnesota.

Baby Harry joins Lady Di, Prince Charles, young Will and Britain's royal lineage.

Starvation threatens Ethiopia's survival.

Gas kills thousands in Bhopal, India.

Pope John Paul II journeys to Africa.

Celts, Oilers, 49ers, And US Olympians Dominate!

From the XXIII Olympiad to Superbowl XIX, 1984-1985 was action-packed and super memorable.

The Olympics riveted the world's attention on Los Angeles in the summer of 1984. Marred only by the Russian boycott, The Games made Mary Lou Retton and Carl Lewis household words. Spunky Retton, the "world's greatest female gymnast", rated a "10" off the pummel horse. Carl Lewis tied Jim Thorpe's record of four gold medals in track events. Maine's Joan Benoit won the first-ever Olympic Women's Marathon. And Mary Decker lost her bid for the gold after a bumping incident in the women's 3000 meter event.

Baseball fans watched the Detroit tigers chomp on the San Diego Padres, four games to one, in the World Series. The Edmonton Oilers snatched Lord Stanley's Cup from the reigning New York Islanders. "Bird was the Word" as the Celts brought home banner #15 after a sweaty-close series against the LA Lakers and Kareem. And the San Francisco 49ers trounced the Miami Dolphins, 38-16, to tie the highest point total in Super Bowl history.

Boston's heart belonged to a 5' 9½" Boston College senior named Doug Flutie, the 50th winner of the Heisman Trophy. Against Miami, Flutie threw a heartstopping 63 yard pass with one second left to roommate Gerard Phelan, launching Flutie into sports history books forever. He later soared with the Eagles over Houston in the Cotton Bowl.

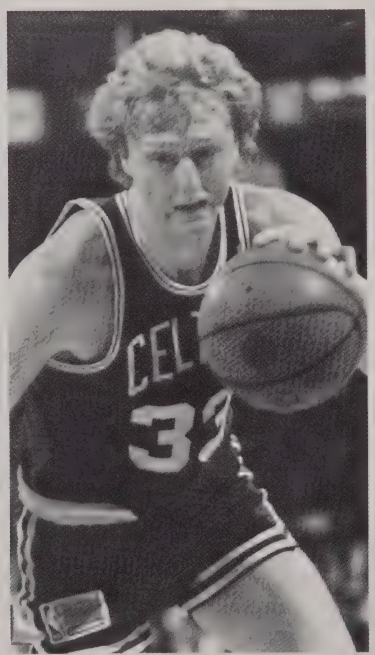

The year was rich in sports memories, and surly these events will show up in *Trivial Pursuits* games by the year 2000!

Our Administrators Say Farewell

The Class of 1985 has been a class of distinction. Your academic achievements and your growth in human understanding exemplify your overall commitment to making your future and the future of others more meaningful.

Upon graduating each of you will develop a lifestyle compatible with your interests and goals. During your period of exploration, moments of joy as well as despair will be a part of your way of life. Screen all opportunities thoroughly, keeping your eye on the goal so that your final decisions may bring you fulfillment.

In looking to the future, you must view life in a global sense where all people play a meaningful role in determining the direction of national and international concerns. You are entering a new era of partnership with humanity in every corner of the globe. Each of you will be called upon to contribute your time and expertise in helping to resolve complex problems. May you meet this challenge as successfully as you have met the demands of your high school career.

I should like to leave the Class of 1985 with a quote from Ralph Waldo Emerson's essay, "Self-Reliance": "Character teaches above our wills. Men imagine that they communicate their virtue or vice only by overt actions, and do not see that virtue or vice emit a breath every moment."

May each of you be blessed with many years of good health and good fortune!

Sincerely yours,

Salvatore A. Todaro

It is hoped that your experiences in high school have provided a basis from which you will make sound decisions and follow a course to success. Mr. Walter Bezubka Retires After 38 Years.

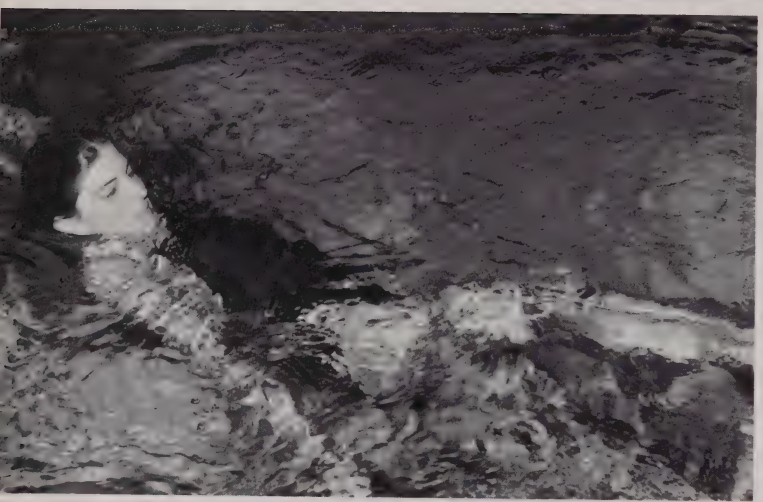

Mr. Walter Bezubka of the Mathematics Department retired this year after 38 years of service to the Medford school system. Mr. Bezubka began teaching at M.H.S. in 1946, following his graduation from Tufts University (Class of 1939), a teaching stint on Martha's Vineyard, and Military Service during World War II.

An avid sportsman, Mr. Bezubka coached the freshman basketball team, worked with the indoor and outdoor track programs, and was a mainstay in the Medford Teachers Bowling League during his many years of service. Medford Boy's Soccer takes G.B.L. crown again

1984 was a fruitful year for the Mustang booters. The team compiled an 11-1-2 G.B.L. record on their way to a second consecutive G.B.L. crown. They also qualified for the state tournament, advancing to the quarter finals of Division I North.

Under coach Joseph Barletta, the booters stormed through the regular season at a frantic pace. After tying on opening day, G.B.L. co-champs Arlington 3-3, the Mustangs stampeded through the next games, demolishing Everett, Peabody, Malden, Somerville, Revere, and Chelsea. After a heartbreaking 3-2 loss to Arlington, the Mustangs went on to tie Revere, 2-2, in the final regular season game. This record was enough to give Medford the co-championship with Arlington.

Medford then opened the tournament against Chelmsford, whom they defeated, 2-0. Medford's season ended after a 3-1 loss to Acton-Boxboro.

The Mustangs were led by tri-captains and first team G.B.L. all-stars Denis DiLeo, Tony Luongo, and Scot Somerville. DiLeo led the G.B.L. in scoring for the second consecutive year. Luongo was the quarterback and pacemaker of the team. Somerville inspired the team with his aggressive play.

With the captains, other seniors played important roles during the season. On defense, second team G.B.L. all-star Mike LoPreste, sweeper John O'Neil, and Mike Frabetti, full back, all played aggressively. Second team G.B.L. all-star Sal Magazzu was a standout in the midfield. Forwards Mike Taddeo and Steven Storella provided offensive power for Medford.

Through their many victories, the Mustang booters brought honor to their school, their city, and themselves. Although the 1984 season is over, the 1984 squad knows that this "Bud" will always be for them.

Female Booters Show Their Potential And Power!

This was the first year Medford has had an official varsity girls soccer team. The girls improved with every performance and had a great time this year doing it.

Coach Stephanie Cardillo, directed senior tri-captains, Michelle Fargo, Leslie Cozza, and Sonya Walters. Michelle Fargo proved to be an extremely talented and dedicated player. Sonya Walters is a versatile player and an important part of the team. Leslie Cozza, who in the past seasons held the position of goalie, decided this year to go out onto the field and was spectacular, a real dynamic athlete.

Senior members of the team were LeeAnn Peterson, Dora Schaefer, and Maria Vasquez; juniors included Helen Bennet, Ariel Bell, Noel Carnevale, Karen Ceth, Kate Crowley, Diane DeMarco, Tricia Kelley, Kristen Lonnenberg, Cindy Luongo, Shiobhan Maunsell, Patricia Rossetti, Kim Russo, and Gina Scarpelli.

Considering the team just started this year, coach Cardillo says; "I feel the girls show alot of potential and promise, and will produce some awesome athletes for the future."

Four records were broken during the season. Jennifer Purdy smashed two when she swam the 200I.M. in 2:19.0, and the 100 backstroke in 1:04.6. Freshman Ro DeLeo also showed her talents by setting new records in the 100 breaststroke 1:12.0 and the 100 butterfly in 1:02.9.

Girls Cross Country Team captures GBL Championship.

The Girls Cross Country Team, led by Head Coach Lou Ruggiero, rolled through their season undefeated, and captured the Greater Boston League Championship in the process. The team was so strong that in the Catholic Memorial Meet they finished fourth out of a tremendously tough field. One of the reasons for their success was that they had many talented seniors. Co-captain Ellen Sartanowitz was the team's number-one runner for the second tear in a row. Kelley Kreatz held together the top 3 runners by consistently finishing in the second or third position on the team. Stacy Walsh and Marie Fitzgerald were the next pair of seniors across the finish line, Julie O'Sullivan co-captain Ginny Clark, and Monica McManus completed the senior winning team.

The team would not have been complete without sophomore Julie Ruccolo, who ran with Kelley throughout the season, and freshman Lisa Leggerio, who held the number four spot on the team. Tara Lane and Tracy Cadigan also backed up the senior team.

The Medford girls were an absolute powerhouse in the GBL. Besides winning the championship, they also captured the League Meet. Their depth proved itself in this race when one of their top runners didn't finish, and the rest of the team still went on to win.

For their accomplishments, Ellen Sartanowitz, Kelley Kreatz, Julie Rucuolo, and Lisa Leggerio were elected G.B.L. All-stars.

Front row (l-r): Monica McManus, Co-captain Ginney Clark, Co-captain Ellen Sartanowitz, Kelley Kreatz, Stacy Walsh, and Marie Fitzgerald. Second row (l-r): Julie Rucolo, Terri Dunlop, Andrea Cangiano, Lisa Leggiero, Tracy Cadigan, Tara Lane, Sara McManus, and Coach Lou Reggierio.

Boys Cross Country ran and won on will and pride!

Before Coach Lou Ruggiero's boy's cross country team's season even started, they were told that the team was ranked third in the Greater Boston League, behind Arlington and Revere. In their first meet against Arlington, they suprised their competitors, and the rest of the league, by sneaking in their 6th runner Bill Boyd III to tie the heavily — favored team

Seniors John Risser, Jim Ferguson, and Tom Nelligan pulled the team through the season's tougher meets against Malden and Peabody by running undefeated. During this time, the previously favored Arlington team lost another meet, knocking them out of the championship race, The only major obstacle for the Mustangs was the also undefeated Revere team. Again, their competitors were favored to win.

Medford's number one runner, junior Tom Lynch, ran as hard as ever to knock off Revere's best runner for first place in the race. Co-captain Jim Ferguson fought his toughest cross country race to capture third. Co-captain John Risser, again running with injuries, placed fifth. Joe Cimetti, and Brian Cannon wrapped up the race by placing sixth and seventh, respectively. The team won the meet, and the championship with a 22-35 victory.

Jim Ferguson and Tom Lynch were both elected G.B.L. All-Stars from the team

The only people in the league who thought Medford would come back and win were the coach and team; and that was all that really mattered.

Front row (l-r): Tom Nelligan, Kevin McGaffigan, Captain John Risser, Captain Jim Ferguson, and Bill Murtha. Second row (l-r): Bill Case, Mark Tricca, Chris Stagliola, Vinny Miraglia, and Joe Cimetti. Mustang Football has outstanding season.

Our Mighty Mustangs,led by tri-captains Paul Clemeno, Troy Walton, and Ernie Breen, had a 5-4-1 season. Laurels went to Paul Clemeno, names All-Scholastic by the *Globe*, Steve Brennan, recipient of the Joseph N. Centrella Trophy, and Jim Bruno, named "Player of the Week" by the *Herald*.

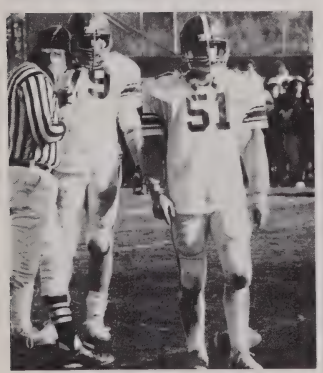

Somerville was the Mustangs' first victim. Jim Bruno scored two of the four touchdowns. Marc Bartallini and Rich Lavoie completed the rout. The final score was 24-0, *Mustangs*.

In the Brockton game, the Mustangs dominated in everything but touchdowns. Medford led in first downs, ground and air yardage, and controlled the ball twice as long. Troy Walton managed Medford's first touchdown in the third quarter, with the help of Rich Lavoie. A joint effort by tri-captain Ernie Breen and Al McDougall got Medford its second touchdown in the fourth quarter. Martorana and Hunt scored the points-after, but Medford went down, 19-14.

After a stunning 19-6 victory over Everett, the *Mercury* lauded Clemeno as "a bear on defense for the Mustangs," and the *Globe* tabbed him All-Scholastic for making three straight tackles and pinning 15 yards on the Crimson. Bruising Rich Lavoie and Ernie Breen scored touchdowns, as well as fleetfotted Jim Bruno.

Medford's "four human football beasts"-Walton, Clemeno, Eddie Walker, and Carmine Collarusso-dominated the game's defense, in the Woburn contest. The Mustangs held Woburn scoreless, and the game ended in a 0-0 tie.

Mustang's rally for Thanksgiving Day rival.

Everyone who attended the Pre-Thanksgiving Day Rally had a great time. The rally commenced with the entire football team smashing through the Rally ring making the crowd stir with Mustang pride. The cheerleaders and pom-pom girls then displayed well practiced cheers and structures. Superintendent Murano, Headmaster Todaro, Coach Bud Kelley, soccer and cross country coaches Mr. Barletta and Mr. Ruggiero and the tri-captains all gave speeches. The band played up a storm including school song "Mighty Mustangs." The cheerleaders and football players then ranked each other jokingly and the pep-rally ended with more terrific cheers. True Mustang pride was in the air not only at the rally but on that brisk but sunny Turkey day morning where practically all of Medford was at the game to root on their home team. This game broke the 43-43-10 series record tie when the Mustangs lost 21-6. Rich Lavoie scored the only touchdown for Medford in the third quarter of the game.

MHS putters drive to a split season record.

The high school golf team putted into this year's season with two wins and two losses under the direction of second-year coach Frank Jewett

Captain Shaun Lally lead his team to their two victories, The first win came when the Medford squad outscored Cambridge Ringe and Latin, 8-1, at the Unicorn Course. They then went on to beat Malden, 5 ½-3 ½. Medford's two losses came from two tough teams, Waltham and Woburn.

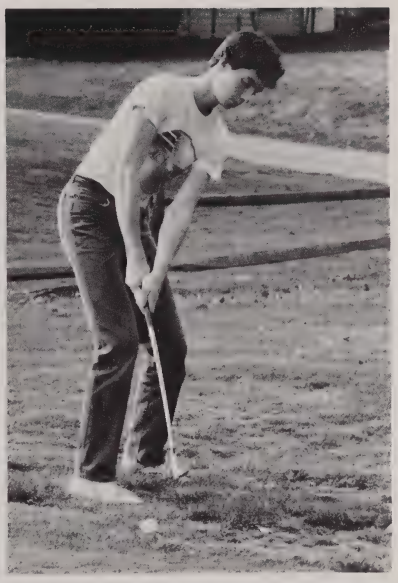

Seniors who showed much potential were Joe Casullo and Todd LoGuidice. Alternate Matt LoGuidice, a junior, showed alot of talent. Other juniors on the team were Tom Devlin, Jared Cormier, Greg Serra, and Paul Doyle.

The freshman have the most promising future in the sport. They are Marc Commarata, Eddi Calo, Mike Kreates, and the only girl on the team, Kristin Bacon.

The seniors are: capt. Michelle Martorana, co-capt. Donna Siracusa, co-capt. Dawn Cadigan, Laura Marino, Gerilyn Alfe, Chris Uva, Joanne Rizzotto, Karen Corbett, Colleen McAuley, and Kristin McCallum. These girls began not knowing anybody on the squad. But by the end of the season, there was a bond between them. New friendships were made that will last forever.

Together they shared the good times- the poster parties, victories, and pep rallies, and the hard times- practices, defeats and disappointments.

The cheerleaders were a symbol of spirit. They had the never ending duty of trying to uphold the pride of Medford High School. These girls were there for all the football, soccer and basketball games.

Cheerleading was not an easy task, but it was a rewarding achievement that every girl was proud of.

Pom pom girls show their Blue and White pride.

The Pom Pom Girls are the second cheering squad at M.H.S.. This year's squad consisted of six juniors: Julie DiGiacomo, Lisa Romano, Patrice McGovern, Sharon Corcoran, Margie Mootrey, and Karen Giovenelli. Senior members were: co-capt. Lori Curcio, co-capt. Chris Puleo, Stephanie Sarno, Karen DeCristofero, Pam DelloRusso, Jill Lack and Diane Iannaccone. These girls cheered at football and hockey games.

It was not an easy job being a pom-pom girl. They practiced three times a week and on Saturday morning before the football game to perfect their half-time routine which they created themselves. Not only did they have to be original but entertaining as well. It was imperative that they all worked together.

Like the cheerleaders, these girls became close friends. It was their goal to be the best possible, and this year they accomplished just that.

HOOPSTERS REGAIN GBL CROWN AFTER 10 YEAR ABSENCE.

Led by coach Angel Torres and tri-captains, Bob Maloney, Fred Pizzi, and Hector Cuadrado, the MHS hoop team won its first GBL title in 10 years.

On opening night against Chelsea, Bob Maloney erupted for 30 points. With 10 seconds left, Maloney stopped and popped from 17 feet out, giving the Mustangs a 68-67 edge. But Chelsea's Hernon let go a jumper from 20 feet. The final buzzer went off with Chelsea up, 69-68.

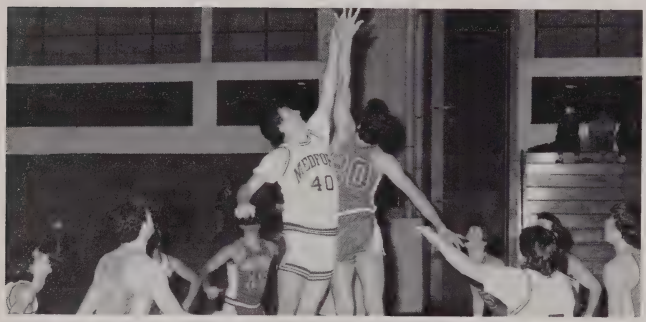

Medford went on to battle the Revere Patriots. Coach Torres breathed a deep sigh of relief after Medford finessed a one-point victory. With 1:20 left, Ed Ryan kissed the glass with a layup, giving the 'stangs a 52-51 lead. But it took free throws by Maloney and Eddie Campbell to nail down the win. Maloney was the top gun for Medford, with 21 points.

Battling for the title, Medford shook off a listless performance in the first half and came out banging during the final half against Arlington in an inspring 67-62 victory. Ed Ryan had his finest game of the season, scoring 15 points and contributing with spectacular passes, rebounds, and steals.

In a rematch with the Red Devils, Medford had 51 in the first half alone, on its way to a 77-67 victory. This decisive victory put the Mustangs in first place in the GBL standings.

On the wave of the inspiring win over Chelsea, Medford soundly defeated Everett. While the Crimson struggled, the Blue and White pounded the boards and and hummed on offense. Tony Regan, John St. Louis, Jim O'Brien, Bob Russel, "Soup" Campbell all dumped in key points in the second quarter. It looked like the game would end in a tie, but Cuadrado, on a second effort leaped up and blocked a shot. Cuadrado led the team in rebounding, with 19. Pizzi was leading scorer with 13, and Ryan had 12 in the winning effort.

The victory over Everett put Medford in the clear for the GBL title. After 10 years, the Mustangs had the title home again.

Lady tracksters place a strong second in GBL race.

The girls indoor track team, led by coach Andy Parece, had one of the most impressive seasons in recent history. Their enormous depth allowed them to roll over the other strong teams in the league, such as Arlington, Malden, and Revere. The defending GBL champions still had to beat their league rival, Peabody, to maintain their status, Although Medford was probably the stronger team going into this meet, Peabody got lucky and barely inched out the Mustangs in a six point victory. This gave Medford second place in the GBL.

An extremely large number of seniors was at the heart of the girls team. Captain Ellen Sartanowitz was the leading distance runner on the team and also one of the team's high jumpers. Captain Marie Fitzgerald was one of the best high jumpers in the league. Captain Monica McManus was the quickest hurdler on the team, by far.

Michelle Martorana filled in at two spots on the team. She competed in both the 50 yard dash and the shot put. Stacy Walsh was right behind Marie in the 300 yard dash. She also was a superb sprinter, one of the best in the league. Kelly Kreatz ran the two mile for the Mustangs; Michelle Fargo also ran the duce. Ginney Clark, a strong distance runner, placed in the mile. Julie O'Sullivan sprinted out 600 for the team.

Along with many talented underclassmen, the ladies deservingly had one of their most exciting seasons in the past four years.

TRACK TEAM CO-STARS WITH REVERE IN GBL CHAMPIONSHIP.

Coach Andy Parece's boys indoor track team captured the GBL co-championship with Revere by maintaining a balanced team all season. It was the first time in 14 years that the trackster hit the heights in the GBL.

The team opened the season with a surprisingly strong victory over Arlington. The next week, Somerville fell. A strong team won to keep the Mustangs undefeated, this time against rival Malden. The winning string broke when Revere defeated the Mustangs, temporarily borrowing first place from the Blue and White.

Mustang pride was at stake, and in the next two meets, Medford crushed Everett and Chelsea. Arlington caught Revere unprepared, and this Revere loss sent the GBL lead back where it belonged-in Medford.

Peabody was then the only team in the Mustangs' way. The team rallied for their biggest meet of the season. Many "personal bests" were set by team members, hurling Medford over the top for a first place season finale.

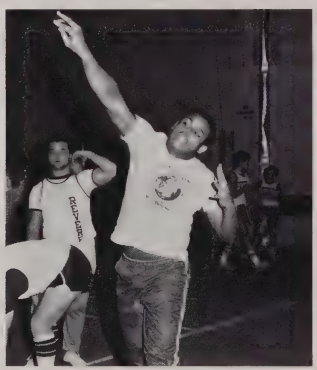

Leading the team was solid group of seniors. Captain Jim Ferguson was a GBL All-Star in both the 600 yard and the 4x400 relay races. He was the team's high scorer and the anchor of the mile relay team. Mark Frongillo earned many key points in the 50 yard high hurdles. His natural talent made him one the league's quickest hurdlers, Tom Nelligan was a strong sprinter in both the 300 and 600 yard dashes. He was one of the hardest working athletes on the team and a true competitor. Troy Walton, the team's shotputter, had extreme concentration and the experience that made him great!

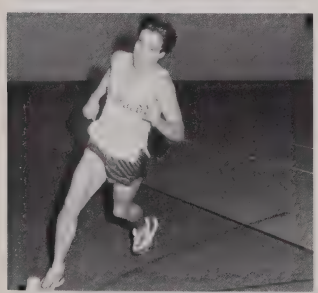

The seniors were backed up by Tom Lynch, Dan McAuley, Joe Cimetti, and Brian Cannon. Chris Stagliola, and Cannon were also GBL All-Stars.

The whole team would like to thank Dave DiMattio for the memory of a championship season.

Girls Basketball bounds through a memorable season.

The M.H.S. girl's basketball squad, which consists of only eight girls, has been through a successful season. They were led into each game by senior Leslie Cozza. Leslie is also a starter for the team along with senior Donna Valente, and juniors Cindy Lanni, Michelle Bates and Robin Tortora.

Coach Julie Doherty's girls have a good record in the G.B.L. One of the highlights of the season was their win over Chelsea in overtime. Other highlighted wins came when they outshot both Malden and Revere.

The girls also teamed together to make an impressive win when they beat Malden, for the second year in a row, at the annual trophy game. The New England Memorial Hospital gives a trophy to the winner of the Medford-Malden game.

Front row: Captain Leslie Cozza. Back row (l-r): Michelle Bates, Donna Valenti, Renee Sodano, Robin Tortora, Cindy Lanni.

Girls Gymnastics Team Shows Grace and Poise.

The gymnastics team displayed grace and poise throughout the 1985 season. Although trailing by only two points at halftime, the ladies lost their first match to Mascanmet, 110.05-85.05. Senior co-captain Susie Camuso placed her highest scores in the vaulting, balance beam, and eneven parallel bars competitions. Co-captain Tina Chase also performed well in the floor exercises, with a score of 5.25.

Medford's first victory of the season, against Revere, was won by only .05 points, 80.95-80.90. The gymnasts took the balance beam and vaulting competitions, Camuso topped Petrosillo and Becky Hamilton. Susie also tool the vaulting competition. Tina Indelicato and Maria Russo also aided in the victory.

Camuso and Chase led the team in their best events-balance beam and uneven parallel bars, and vaulting, respectively. Tina chalked up 7.4 points in a strong showing on the vault. Susie grabbed points for her balance bean and uneven parallel routines. Despite tremendous displays of grace and style, Medford lost to both Brookline, 98.4-82.0, and Melrose, 111.8-80.8.

Explosive skaters declare: "We Are The Champions!"

The Medford high hockey team proved that they could top the GBL two years on a row by compiling a 9-1-2 record. Considered to be the top skating team in the league, the Mustangs dazzled their foes by their unstoppable speed and overwhelming ability.

The team was led by co-captains Steven "Beaver" Brennan and David Doyle. Brennan, a forward, was one of the leading goal scorers and top offensive forces for the team. Doyle, also a forward, was a leading scorer and an excellent cornerman.

Five other seniors added to the strength of the team. Scot Somerville, a four-year veteran, was the top offensive defenseman for the season. Lennie Halloran, a tough defense-man, added power behind the blue line. Jamie Silva was brilliant at stopping opposing offensive threats. Bob Buckley, the Mustang goaltender, was the backbone of the team and played a very important role in the championship run. Timmy Matatall, a touch checking forward, was effective with his strong slapshot.

Leadership for the team was supplied by first-year head coach Peter Brennan and assistant coach Mike Triangle. Dedicated throughout the season, both coaches were tough but fair and left a lasting impression on the athletes,

After a depressing tie to Arlington and a 7-5 defeat to Peabody, the Mustangs went on a tare which sent opponents reeling. Beginning with a tie to Somerville, the team proceeded to defeat the next eight teams: Everett, Malden and Revere (twice), Somerville, Arlington, and Peabody.

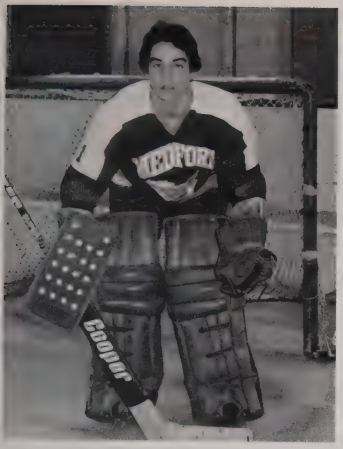

The 1984-1985 Mustangs hockey team will always be remembered for their hustle and determination, The fast skating, explosive scoring machine was able to declare, in the ranks of the GBL: *"We are the Champions!"*

Wrestlers show agililty in a disappointing season.

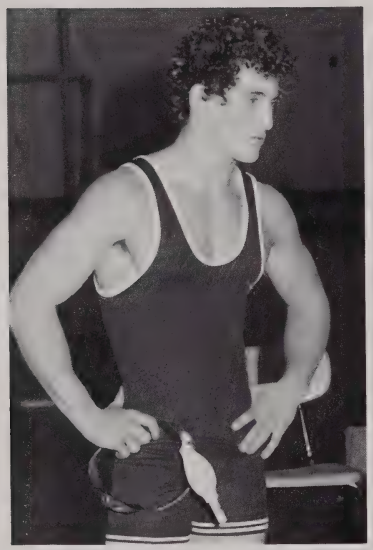

The 1984-1985 season was full of hardships and struggles, but the members of this year's wrestling team felt it was all worth it. Led by first year coach Brian O'Boyle, the team captains were Mike Shapiro and Marc Cutler. Growing together and learning from each others' experiences, the boys became a team in the true sense of the word.

Due to the lack of size, the seven member team had a tough season. Unfortunately , they had to forfeit several matches because there were not enough entries in some weight classes. However, the team looks very promising for the future because many of this year's members will be returning.

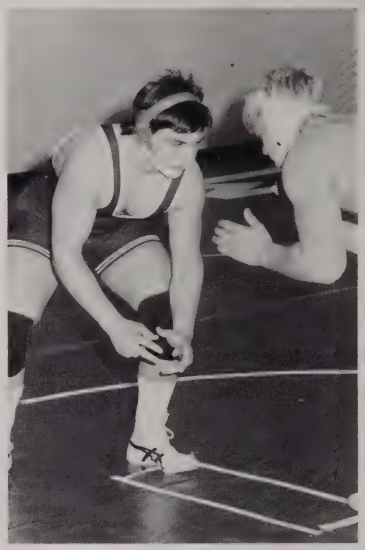

Other members of the team were juniors Adam Young and Mike Salvo and freshmen Dennis O'Neill, John Larfulus, and Mike Stebens.

The team practiced five days a week after school from 3 to 5, and on Saturdays. Practices consisted of calisthenics for warming up, going over moves, learning new ones, matching up, and sprinting.

The boys had a very fulfilling season, and no one feels any regrets. They learned to value their triumphs and to learn from their mistakes.

Boys swim team sets a fast pace!

Under the direction of first year coach Mary Hoardy, the M.H.S. boy's swim team is showing tremendous talent. The boys have adjusted to the change in the coaching and are proving that by breaking records. Junior Brian McIver has broken a number of records which include the 50 and 100 freestyle, the 200 individual medley and the 100 Butterfly.

Senior Paul Marquis and junior Damon Goldstein have captained the boys through a 3 win and 5 loses season. They are now leading a quartet of swimmers into the Sectionals. Junior Jared Cormier and McIver will team together with Marquis and Goldstein to swim the medley relay at the Sectionals.

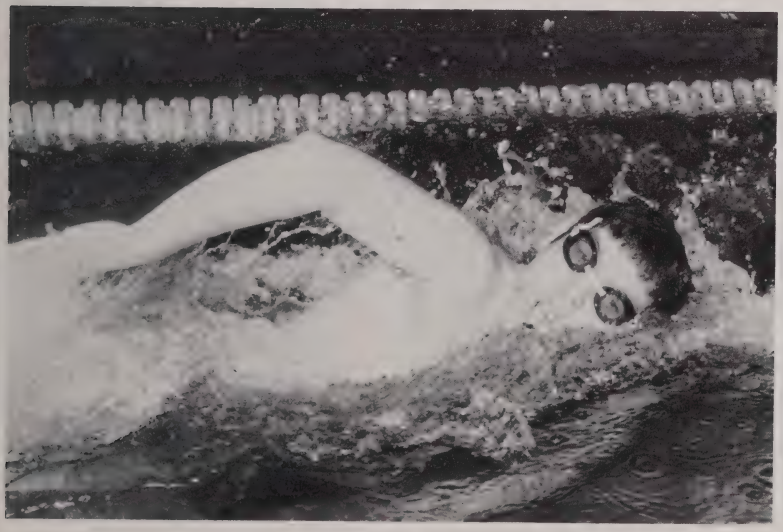

In addition to the strong swimming squad, the team has a new addition. A diving team! Jamie Silva, Mark Doherty, and Jimmy Bossi team together to show great ability on the diving board.

The swim team is an underclassman team with alot of future talents.

Frony row (l-r): Richard Mastascusa, Brian Mullen, Kevin Kacinski, Damon Goldstein, Thomas Dunlop, Paul Marquis. Secon row (l-r): James Bossi, Jared Cormier, Brian McIver, Brian Malone, Richard Marquis, Mark Doherty, Jamie Falco, Horace Dedieu, Richard Morrissey, Mary Hoarty.

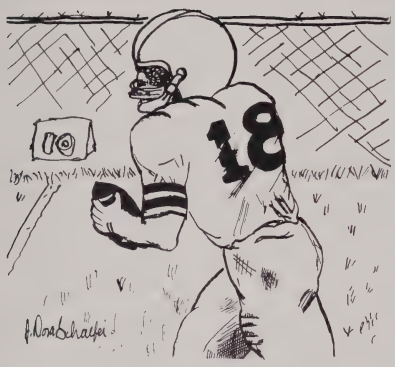

A SPORTS YEAR IN REVIEW

The MHS barriers were the only team in the GBL who could win without all healthy runners.

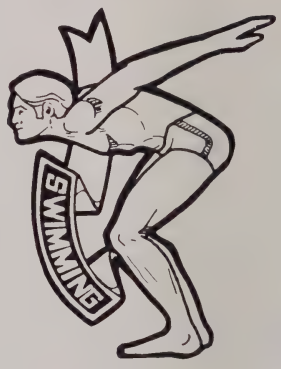

Despite a heart breaking Thanksgiving Day loss to Malden, 21-6, MHS compiled a 5-4-1 in GBL play.

Girls soccer captain Cozza earns the distinction of top female athlete in the Class of 1985.

A tremendous number of seniors and great runners made them the team that had no competition in the GBL.

McIver earns All-Scholastic recognition as MHS swimmers complete a mixed season.

What the wrestling team lacked in depth, they made up in strength and skill.

Veterans Camuso and Chase personfied grace and femininity in an uneven season, 1-3.

A SPORTS YEAR IN REVIEW

After a contract dispute, coach Angel Torres was reinstated by the Medford School Committee.

Five GBL All-Stars bolstered the booters to their second consecutive GBL crown, with an 11-1-2 record.

The tourney ghost came back to haunt as Medford fell to Acton-Boxboro in first round action.

Female hoopsters defeat Malden and win Memorial Trophy for the second straight year.

Thanks to Revere and our personal determination, the GBL title came back after an 11 year absence.

Great depth and personal effort were enough to stop everyone but Peabody for second place.

Purdy and DeLeo smashed and set records as female swimmers glided through a 5-5 season.

MHS Bids Our Retirees A Long, Happy, Healthy Life.

Mr. Alfred P. Pompeo

Educated in the Medford Public Schools, Mr. Alfred P. Pompeo went on to further his education at the State Teachers College at Salem, in 1939. Here he received his B.S. Ed. The following year, he acquired his Ed. M., from Tufts University. That summer, he attended Harvard University and Boston University for summer sessions.

Retiring after 39 years, Mr. Pompeo leaves an outstanding record of service to the City of Medford. He first came to Medford, as a teacher, in 1946, when he taught at the Medford Veterans Regional School for one year. After this, he moved to Medford High School as both an English teacher and a Guidance Counselor. In 1952 he left his position and went to the Boston University of Education to serve as a Teaching Fellow in Guidance. That same year, Mr. Pompeo was a Medford City Councilor and in 1956-1957, he served on the Medford School Comittee, and was elected Mayor for one term. On May 14, 1959, Mr. Pompeo returned to Medford High School where he was appointed Director of Guidance and Placement for Medford Public Schools. He retired on December 31, 1984, and is now working as a part-time consultant.

We express our deep gratitude for his wise counsel, his generous assistance and patient perseverance on our behalf. From all who have benefited from his efforts through the years—a salute for a job well done. He will be missed.

Miss Eleanor L. Bickley

Eleanor L. Bickley started her formal education at the Immaculate Conception School in Malden. She entered Medford High School on October 10, 1930, and was graduated on June 14, 1932.

She entered Radcliff College in September 1933 and was awarded a Bachelor of Arts degree in June, 1937.

During the period of time between 1937 to 1940 Miss Bickley served as a substitute teacher in the Medford Public Schools. On November 1, 1940, she was appointed as a teacher in the Department of English and was assigned to the Hobbs Jr. High School.

In September, 1961, she was transferred to the high school where she continued to teach in the Department of English.

September of 1963 presented another transfer to Miss Bickley. This one was to move her into the Guidance Department where she stayed until retirement.

Throughout her years of dedication to the youth of Medford, Miss Bickley has remained a loyal member of the Medford Teachers Association, Massachusetts Teachers Association, National Education Association, Massachusetts School Counselors Association, Suburban Women Counselors Association. Miss Bickley has also been a person who has done some volunteer work with the blind. She has also kept up her ties with the Radcliff College Alumnae.
